

Interior Designer

—
SYDNEY

The Role

We are seeking an accomplished and creative interior designer to join us in our lively Sydney studio.

At Buchan, we endeavor to expose our staff to a variety of experiences to enable them to grow their professional knowledge and project experience. The ideal candidate for this role will work with our team on large scale architectural and interior design commissions, as well as undertaking stand-alone interiors projects. Experience in contract administration and across all phases of the design process, from concept through to construction stage services is essential.

Under the direction of a senior interior designer or senior architect, you will assist in the development and delivery of project outcomes across all stages, utilising graduate resources at times. Alongside your design acumen, your communication skills will be crucial as you collaborate with clients and consultants to build new relationships.

All applicants must provide a portfolio of projects showcasing your talents in design.
