

Senior Interior Designer / Senior Interior Architect

BRISBANE

The Role

Based in our dynamic Brisbane Studio, we are seeking a highly motivated and talented Senior Interior Designer / Senior Interior Architect to become an integral part of our design team.

At Buchan, we endeavor to expose our staff to a variety of experiences to enable them to grow their professional knowledge and project experience. The ideal candidate for this role will work with our team on large scale architectural and interior design commissions, as well as undertaking stand-alone interiors projects. Experience in contract administration and across all phases of the design process, from concept through to construction stage services is essential.

A strong set of design, communication, collaboration, and delegation skills are essential in your work alongside Project Principals managing the design team. You will be accountable for all aspects of the design and delivery of the project program requiring the ability to problem solve, budget, produce quality design, and foster staff and client engagement.

All applicants must provide a portfolio of multiple projects in which they have undertaken a lead role.

About You

EXPERIENCE

- Have at least one of the following:
 - Interior Design Bachelor Degree
 - Industrial Design Bachelor Degree
 - Associate Diploma in Interior Design and Decoration, or
 - Architectural Graduate Degree
- 8 – 12 years' working on large, complex projects within interior design or an equivalent role
- Proven team and project management experience
- Large scale commercial, multi-residential and hospitality project experience
- Skilled in developing client networks and relationships
- Must have international experience

PERSONAL ATTRIBUTES

- Resilient and confident within a professional working environment
- Flexibility
- In-depth understanding of industry knowledge
- Ability to work effectively within a team

SKILLS/KNOWLEDGE

- Proven design and delivery skills
- Leadership skills with the ability to mentor our young designers and motivate team members
- Project management skills
- Excellent presentation and communication skills
- Skilled in Revit/BIM and Sketch-up
- An in-depth understanding of the Adobe Creative Cloud
- Advanced understanding of Microsoft
